All, I know Julia ran into George Sherrill today and they chatted about the ACP. This meeting coming up on the 27th could be great for anyone in the governor's office to attend. It is for local economic developers and other local government officials.

Hello Beth and George
As I mentioned here is the invitation that is going out today to Eastern NC Economic Developers. This is not open to the public, it is a technical workshop to help educate the developers. We would very much like to have commerce attend, please just let me know who by the RSVP date.
If you have any questions, do not hesitate to contact me.
